NEC Financial Services Celebrates its 30 Year Anniversary

Saddle Brook, New Jersey – August 1, 2016 – NEC Financial Services, LLC, a leader in providing technology financing and leasing for businesses of all sizes throughout the United States, is proudly celebrating its 30th anniversary.

Established in 1986, as a wholly owned subsidiary of NEC Corporation of America, NEC Financial Services provides sales finance and equipment leasing services to Channel Partners and their customers, as well as group financing and treasury operations to the NEC affiliates in the U.S. and Mexico. As a member of the NEC group of companies, NEC Financial Services has the capacity to fund and manage its entire portfolio of SMB and Enterprise level transactions.

From its headquarters in Saddle Brook, New Jersey, NEC Financial Services has a highly qualified and dedicated team of professionals supporting the sales efforts of technology solution partners by providing a streamlined and value-added approach that is focused on the requirements of both commercial as well as State and Local government and Education (SLED) customers.

“We are grateful for and can attribute our success to our many channel partners, our customers and our team members, past and present, for making this milestone anniversary possible” said Herschel Salan, president of NEC Financial Services. “Their sustained support has fueled our achievements for the past three decades and we look forward to continuing to serve them well into the future”.
