This lease offer is available through NEC Financial Services, LLC ("NECFIN") to qualified commercial business customers located in the U.S. only. Subject to credit and equipment approval, acceptable lease documentation and other terms and conditions as may be required by NECFIN in its sole discretion. Minimum equipment cost to qualify for this program is \$2,000 (exclusive of sales tax). Cost of software, SWA, licenses and installation qualify for the Fair Market Value ("FMV") end-of-term purchase option provided they do not exceed 50% of the total cost of all hardware and these soft costs combined. This offer may be withdrawn or changed by NECFIN at any time and without notice or obligation. Lease rate quoted does not include applicable sales or use tax. This promotion cannot be combined with any other existing NECFIN program or promotion. Product Line: 0003
